Passionate about how AI can be applied to solve real business problems, by building on my internships developing and utilizing AI products and tools, strategy consulting and working with clients to improve their businesses.

EXPERIENCE

- Globant** | New York, NY Jun 2026 – Aug 2026
AI Financial Services Studio Intern, Strategy · AI-powered technology services
- Built an interactive map of a banking client's customer experience, using AI to turn incomplete records into clear, visual insights, then presented it to the client and Globant's Managing Directors.
 - Helped win a competitive proposal from a global payments company, contributing within a 10+ person international consulting team.
- Aritzia** | Boston, MA Feb 2026 – May 2026
Style Advisor
- Exceeded hourly sales targets by over 2x, closing out the role ranked top 3 stylist in store.
- Intelligence Assist** | Sydney, Australia Oct 2025 – Dec 2025
AI Project Manager Associate · AI consultancy
- Built and launched an AI Tools Knowledge Hub webpage showcasing 40+ platforms, live today to boost client transparency.
 - Built and optimized AI agents and prompts in Copilot, cutting ~2 days of manual reporting per month.
- Standard Chartered Ventures – Zodia Custody** | London, UK Jun 2025 – Aug 2025
Revenue Operations Intern · Crypto Custody
- Rebuilt HubSpot CRM to improve reporting accuracy for executives and investors, and conducted market research that shaped roadmap and investment priorities for a new product.
 - Partnered with senior leaders to implement a Slack-based solution, improving cross-departmental communication and shifting reporting from a case-by-case basis to a daily cadence.
- Top Selection LTD** | London, UK May 2025 – Jun 2025
Sales and Product Data Analyst
- Analyzed sales and stock data to forecast demand, cutting excess inventory by 20%.
- Boston University Consulting Group** | Boston, MA Sep 2024 – Dec 2024
StrategyLab Finalist, 2nd of 20 teams
- Developed data-driven profitability recommendations for a global hotel group, presented to the club board and Professors.
- Connaught Hotel** | London, UK Jun 2024 – Aug 2024
Lobby Host
- Resolved high-priority guest issues in a five-star setting through cross-department coordination.
